architecture update ▶ Mumbai, August 16-31, 2007

Mumbai-based Milan Manek & Associates (MMA) is a leading name in the field of execution of interior design projects in the country. The company is known for providing excellent value-for-money services that are customised to the needs of the client.

MMA is the brainchild of two extremely spirited, creative and dynamic entrepreneurs who combined the resources of rich experience, unmatched skills and raw zeal to implement a varied set of ideas.

CHALLENGES BRING OUT THE BEST

The MMA team comprises architects, interior

partners believe in being cost-conscious without

moved on to newer frontiers of designing small environments, their work is not just confined to
